PEDDIBOINA KEERTHI MYTREYA

Hyderabad, India | +91 8919630906 | keerthimytreya@gmail.com | LinkedIn

PROFESSIONAL SUMMARY

Computer Science undergraduate with a strong interest in programming and problem solving. Seeking an internship or placement opportunity to apply technical skills, learn new technologies, and gain real-world experience in software development.

TECHNICAL SKILLS

Programming Languages: C, Python, C++, SQL

Concepts: Arrays, Strings, Basic Data Structures, Problem Solving, OOPs

Tools: VS Code, GitHub

PROJECTS

CampusConnect – Student Collaboration Platform

- Developed a full-stack web application for student collaboration, resource sharing, and academic communication
- Implemented authentication, CRUD operations, and REST API integration using React.js, Node.js, and MongoDB
- Designed responsive and user-friendly interfaces using HTML, CSS, JavaScript, and Bootstrap

CodePilot AI – AI-Powered Code Reviewer

- Developed an AI-powered code review platform using Gemini AI and LLM-based tools to analyze code snippets and generate intelligent feedback
- Implemented automated bug detection, code optimization suggestions, syntax validation, and time complexity analysis to improve code quality
- Designed responsive user interfaces using React.js, HTML, CSS, and JavaScript with Flask backend integration for real-time AI-driven analysis
- Applied prompt engineering and AI-assisted development techniques to enhance code readability, maintainability, and developer productivity

CERTIFICATIONS

Certificate	Issuing Organization	Date
Gen AI and AI Agents Course	CynoHub Academy	May 2026

EDUCATION

B.E. in Computer Science and Engineering
Gokaraju Lailavathi Engineering College — 2023 – 2027

Senior Secondary (Telangana State Board)
Narayana Junior College — Percentage: 96.5% (2019 – 2021)

ACTIVITIES & INTERESTS

- Practicing coding problems on platforms like LeetCode
- Learning programming concepts and improving logical thinking
- Interested in software development and problem solving
- Actively improving aptitude and coding skills for placements
